(b) Each Unit consists of the space and enclosed and bounded by the horizontal and vertical plans set forth in the delineation thereof on the Plans. The legal description of each Unit shall consist of the identifying number of such Unit and Building as are shown on the Plans. Every deed, lease, mortgage or other instrument shall legally describe a Unit by its identifying numbers as shown on the Plans, and every such description shall be deemed good and sufficient for all purposes.

2.02 Real Estate Taxes. It is understood that real estate taxes are to be separately taxed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Areas as provided in the Act; provided, however, that until such time as separate real estate tax bills are issued with respect to each Unit, the real estate taxes imposed on the Property shall be assessed to the Unit Owner in the proportion to his percentage share or ownership by the Association or Managing Agent.

ARTICLE III

COMMON AREAS

3.01 Description. Except as otherwise provided in this Declaration, the Common Areas shall consist of all portions of the Property except the Units. Without limiting the generality of the foregoing, the Common Areas shall include the Parcel, master antenna connections and facilities (whether leased or owned), basement storage and service areas (excluding those within such a unit), outside walks and driveways, landscaping, the parking areas, refuse collection system, the pipes, ducts, flues, chutes, conduits, wires and other utility installations to the outlets, such component parts of walls, floors and ceilings as are not located within the Units, and structural parts of the Buildings, including structural members located with the Units.

Common Areas as tenant in common with all other Unit Owners of the Property. The extent or amount of such ownership shall be expressed by a percentage amount, and once determined, shall remain constant and may not be changed without unanimous approval of all Unit Owners. The Declarant has determined each Unit's corresponding percentage of ownership in the Common Areas to be that percentage which Unit bears to the total Units constructed in accordance with I.C. 32-1-6-7 (a) and I.C. 32-1-6-12.1 of the Act.

3.03 Limited Common Areas. The Limited Common Areas are part of the Common Areas serving exclusively a single unit or adjoining units as in inseparable appurtenance thereto, including specifically but not by way of limitation, patios, stoops and such portions of the perimeter walls, floors, and ceilings, doors, vestibules, windows, entryways, and awnings, if applicable, and all associated fixtures and structures therein as lie outside the Unit boundaries. The pond as shown on the Plans is part of the Common Areas.

ARTICLE IV

GENERAL PROVISION AS TO UNITS AND COMMON AREAS

4.01 Submission to Property to the Act. The Property is hereby submitted to the provisions of the Horizontal Property Law of the State of Indiana.

4.02 No Severance of Ownership. No Unit Owner shall execute any deed, mortgage, lease or other instrument affecting title to his Unit Ownership without including therein both his interest in the Unit and his corresponding percentage of ownership in the Common Areas, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage, lease or other instrument purporting to affect the one without including also the other shall be deemed and take to include the interest so omitted even though the latter not expressly mentioned or described therein.

4.03 Easements for Utilities.

(a) All suppliers of utilities serving the Property are hereby granted the right to install, lay, construct, operate, maintain, renew, repair or replace, conduits, cables, pipes and wire and other equipment into, over, under, along and on any portion of the Common Areas for the purpose of providing the Property with utility services, together with the reasonable right of ingress to and egress from the Property for said purpose. The Declarant, Board, or Association may hereafter grant other or additional easements for utility purposes for the benefit of the Property, over, under, along and on any portion of said Common Areas, and each Unit Owner, such instruments as may be necessary to effectuate the foregoing. Easements are also hereby declared and granted to install, lay, operate, maintain, repair and replace any pipes, wires, ducts, conduits, public utility lines, components of the communication systems, if any, or structural components, which may run through the walls of a Unit, whether or not such walls lie in whole or in part with the Unit boundaries.

(b) Easements to Run With Land. All easements and rights described herein are easements appurtenant to and running with the land, and so long as the Property is subject to the provisions of this Declaration, shall remain in full force and effect, and shall inure to the benefit of and be binding on the undersigned, its successors and assigns, and any Unit Owner, purchaser, mortgagee and other person having an interest in the Property, or any part or portion thereof. Reference in the respective deeds of conveyance, or in any mortgage or other evidence of obligation, to the easements and rights described

in this Article, or described in any other part of this Declaration, shall be sufficient to create and reserve such easements and rights to respective grantees, mortgages and trustees of such Unit Ownerships as fully and completely as though such easements and rights were recited fully and set forth in their entirety in such documents.

(c) Easement for Construction. During the period of any construction or reconstruction on the Property by the Declarant, Board, or Association, their contractors and subcontractors, and their respective agents and employees shall have the right and easement to use the Common Areas for purpose of ingress and egress and access to the Buildings for the Property as may be required in connection with said construction or reconstruction.

4.04 Storage and Parking Areas. Intentionally omitted.

4.05 External Antenna. Intentionally omitted. See Rules and Regulations.

4.06 Expenses of the Common Area. The Board, for the benefit of all Unit Owners shall acquire and shall pay out of the maintenance fund herein provided for, the following:

(a) Operating expenses of the Common Areas, including water, electricity, telephone and other necessary utility services for the Common Areas.

(b) Services of any persons or firm to act on behalf of the Unit Owners in connection with real estate taxes and special assessments on the Unit Ownerships, and in connection with any other matter where the respective interests of the Unit Owners are deemed by the Board to be similar and non-adverse to each other. The cost of such shall be Common Expenses.

(c) Painting, cleaning, tuck pointing, maintenance, decorating, repair and replacement of the Common Areas including damage from golf balls (but not including the interior surfaces of the Units and of the doors appurtenant thereto and the outside window glass which the Unit owners shall clean, maintain and repair, except window damage done by golf balls) and such furnishings and equipment of the Common Areas as the Board shall determine are necessary and proper.

(d) Any other materials, supplies, utilities, furniture, equipment, labor, services, maintenance, repairs or structural alterations which the Board is required to secure or pay for, pursuant to the terms of the Declaration and these Bylaws or which in its opinion shall be necessary or proper for the maintenance and operation of the Property as a first-class condominium building or for the enforcement of these restrictions.

(e) Any amount necessary to discharge any mechanic's lien or other encumbrance levied against the entire Property or any part thereof which may in the opinion of the Board constitute a lien against the Property or against the Common Areas, rather than merely against the interests therein of particular Unit Owners. Where one or more Unit Owners are responsible for the existence of such lien, they shall be jointly and severally liable for the cost of discharging it and any costs incurred by the Board by reason of said lien shall be specifically assigned to said Unit Owners.

(f) Maintenance and repair of any Unit if such maintenance or repair is necessary, in the discretion of the Board, to protect the Common Areas, or any other portion of the Building, and a Unit Owner, has failed or refused to perform said maintenance or repair within a reasonable time after

written notice of the necessity of said maintenance or repair is delivered by the Board to said Unit Owner, provided that the Board shall levy a special assessment against such Unit Owner for the cost of said maintenance or repair.

4.07 Insurance. The Board shall have the authority to and shall obtain insurance for all Buildings on the Parcel against loss or damage by fire or other hazards in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction from any hazard as outlined in 4.07(a) below and the Board shall also obtain a broad form public liability policy covering all Common Areas, and all damage or injury cause by the negligence of the Association or any of its agents. Premiums for all such insurance shall be Common Expenses, and all such insurance shall be written in the name of the Association as trustee for each Unit Owners in equal proportions.

In addition to the aforesaid insurance required to be carried by the Association, any Unit Owner may insure his own Unit for his own benefit and carry any additional insurance he deems advisable, including homeowners liability insurance, theft, and other insurance covering personal property damage and loss for which the Unit Owner shall be solely responsible.

In the event of damage or destruction by fire or other casualty to any property covered by insurance written in the name of the Association, the Board shall with concurrence of the mortgagee, if any, either prior to or upon receipt of the insurance proceeds, contract to rebuild or repair such damaged or destroyed portions of the property to as good a condition as formerly. If the insurance proceeds are insufficient to pay all the costs of repairing or rebuilding to the same condition as formerly, the Board shall levy a special assessment against all Unit Owners to make up any deficiency as provided herein. In the event such insurance proceeds exceed the cost of repair and reconstruction, such excess shall be paid over to the respective mortgagees and Unit Owners as their interests may then appear.

(a) The insurance coverage provided by the Association for each Unit shall insure from the studs to exterior walls, including, but not limited to, all exterior attachments such as decks and lights, and landscaping. Unit Owners shall be responsible for insuring everything within the interior edge of the studs, including the following property in a Unit, without regard to ownership: all fixtures, improvements and alterations that are part of the Building, and any appliances for refrigeration, ventilation, cooling, heating, cooking, laundering, or security. The insurance carried by the Association will not include personal property owned or under the care or control of a Unit Owner.

The value of a Unit and coverage for such Building shall be the replacement square foot cost (plus 10%) as estimated by developer and average market area construction costs.

4.08 Liability of the Board of Directors. Neither the members of the Board, nor the officers of the Association, shall be liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such Board members and officers except for any acts or omissions found by a court to constitute gross negligence or fraud. The Unit Owners shall indemnify members of the Board, officers and employees of the Association in the manner and to the extent provided in the Articles of Incorporation of the Association. It is also intended that the liability of any Unit Owner arising out of any contact made by or other acts of the Board or officers of the Association, or out of the aforesaid indemnity in favor of the members of the Board and offices of the Association, shall be limited to such proportion of the total liability hereunder as his percentage of interest in the

Common Areas bears to the total percentage interest of all the Unit Owners in the Common Areas. Every agreement made by the Board or by the managing agent on behalf of the Unit Owners shall provide that the members of the Board or the managing agent, as the case may be, are acting only as agents for the Unit Owners, and shall have no personal liability thereunder (except as Unit Owners) and that each Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his percentage of interest in the Common Areas bears to the total percentage interest of all Unit Owners in the Common Areas.

4.09 Maintenance of Units. Except as otherwise provided in this section, each owner shall be responsible for the interior maintenance and repair of his or her unit. The Association shall be responsible for the repair and maintenance of the Unit Exteriors as follows:

(a) maintenance, repair and replacement of items common to all units including, but not limited to, roofs, outer surface of exterior walls, sidewalks, steps, driveways, eaves, yard lights, mail boxes and sprinkler system, excluding broken glass and damage to overhead garage doors. Replacement of bulbs and light sensors in outdoor yard lights as security measure.

(b) the Association will share a percentage of the cost with the unit owner for maintenance and repair of items and problems common only to specific units, including, but not limited to, chimneys, egress windows, foundations, footings, patios, decks and other items deemed by the Association to be construction problems. The amount to be paid by the Association shall be determined as follows:

- A board representative and the on-site manager will work with the unit owner to determine financial responsibility (percentage) of both parties. Upon agreement and board approval, the unit owner and on-site manager will select and agree on a contractor to perform the work.
- If an agreement cannot be reached between the on-site manager and the homeowner. The Larimer Condominium Association Board of Directors will make the final decision on the amount that the Association agrees to pay for such repairs and maintenance.
- The contract for repairs will be between the contractor and the unit owner. Upon completion the unit owner will submit a claim for agreed amount to the board for payment to the unit owner.

(c) all exterior landscaping maintenance, including lawn maintenance, shrub and tree maintenance, planting and maintenance of flowers in the Common Areas only, pond and fountain maintenance. Irrigation system maintenance and winter snow removal.

(d) maintenance, repair and replacement of water, sewer, electrical and other systems which serve more than one unit or more than one garage (but not including those portions of such systems which serve only one garage such as a garage door opener, air conditioning unit and electrical or plumbing fixtures.)

4.10 Additions, Alterations, or Improvements. No additions, alterations, or improvements shall be made to any Unit Exterior or Garage by and Owner without the prior written consent of the Board or without compliance with the relevant provisions of the Declaration. The Board may (but shall not be required to) condition its consent to the making of an addition, alteration, or improvement to a Unit Exterior by an Owner upon the Owner's agreement either (i) to be solely responsible for the maintenance of such addition, alteration or improvement, subject to such standards as the Board may

from time to time set, or (ii) to pay to the Residential Association from time to time the additional cost of maintenance of the Unit Exterior as a result of the addition, alteration or improvement. If an addition, alteration, or improvement is made to a Unit Exterior by an Owner without the prior written consent of the Board, then the Board may, in its discretion, take any of the following actions.

(a) Require the owner to remove the addition, alteration or improvement and restore the Unit Exterior to its original condition, all at the Owner's expense;

(b) If the Owner refuses or fails to properly perform the work required under (a), the Board may cause such work to be done and may charge the Owner for the cost thereof as determined by the Board; or

(c) Ratify the action taken by the Owner, and the Board may (but shall not be required to) condition such ratification upon the same conditions which it may impose upon the giving of its prior consent under this Section.

4.11 Damage Caused by Owner. If, due to the act of or the neglect of an Owner or a member of his Family or household pet or of a guest or other authorized occupant or invitee of such Owner, damage shall be caused to a part of the Premises and maintenance, repairs or replacements shall be required which would otherwise be a Common Expense, then such Owner shall pay for such damage and such maintenance, repairs, and replacements, as may be determined by the Board, to the extent not covered by insurance, if any, carried by the Larimer Village Condominiums, Inc.

4.12 Residential Use Only. Except as permitted by rules and regulation adopted by the Board, each Unit shall be used only as a residence by a Single family, each garage shall be used only for parking vehicles and for approved storage purposes, and no industry, business, trade, occupation, or profession of any kind shall be conducted, maintained or permitted on any part of the Premises.

4.13 No Signs. Intentionally omitted. See Rules and Regulations.

4.14. Pets. Intentionally omitted. See Rules and Regulations.

4.16 Proscribed Activities. No noxious or offensive activity shall be carried on in the Premises and nothing shall be done in the Premises, either willfully or negligently, which may be or become an annoyance or nuisance to the Owners or occupants of the Units.

4.17 Unsightly Uses, Parking & Seasonal Decorations. Intentionally omitted. See Rules and Regulations.

4.18 Rule and Regulations. The use and enjoyment of the Units shall be subject to reasonable rules and regulations duly adopted by the Board from time to time; provided that no rule or regulation shall be effective unless and until at least ten (10) days notice thereof is given to all Owners.

ARTICLE V

COMMON EXPENSES-MAINTENANCE FEE

5.01 Preparation of Estimated Budget. Each year on or before November 1st, the Board shall estimate the total amount necessary to pay the cost of wages, materials, insurance, services and supplies which will be required during the ensuing calendar year for the rendering of all services, contingencies and replacement, and shall on or before November 15th notify each Unit Owner in writing as to the amount of such estimate, with reasonable itemization thereof and containing each Unit Owner's respective assessment; provided, however, that such annual budget shall be furnished to each Unit Owner at least thirty (30) days prior to its adoption by the Board. Subject to the provisions of the Declaration Section 5.03 hereof, said "estimated cash requirement" shall be assessed to the Unit Owners according to each Unit Owner's percentage of ownership in the Common Areas. On or before January 1st of the ensuing year, and the first of each and every month of said year, each Unit Owner, jointly and severally, shall be personally liable for and obligated to pay to the Board or as it may direct, one twelfth (1/12) of the assessments made against this respective Unit pursuant to this paragraph. On or before April 1st of each calendar year following the initial meeting of voting members as provided for in Section 3.2 of the Bylaws, the Board shall supply to all Unit Owners and itemized accounting of the maintenance expenses for the preceding calendar year actually incurred and paid, together with a tabulation of the amounts collected and pursuant to the estimates provided, and showing the net amount over or short of the actual expenditures plus reserves. Any net shortage or excess shall be applied as an adjustment to the installments due under the current year's estimate in the succeeding six (6) months after rendering of the accounting, subject, however, to the provisions of Section 5.2 hereof.

5.02 Reserve for Contingencies and Replacements-Supplemental Budget. The Board shall build up and maintain a reasonable reserve for contingencies and replacements, which shall be segregated and allocated for specific purposes. Extraordinary expenditures not originally included in the annual estimate which may be necessary during the year shall be charged first against such portion of the contingency and replacement reserve which remains unallocated. other entity affiliated with Declarant) hereinafter referred to as Management Agent to Managing Agent or Managing Agent) for a term of one (1) year under which Managing Agent will provide supervision, fiscal and general management and maintenance of the Common Areas and in general perform all duties and obligations of the Association. Such management agreement may be renewed for additional one (1) year periods by written agreement. Such management agreement will be subject to termination by Managing Agent or by the Association at any time prior to the expiration of its term upon ninety (90) days written notice to the other party, in which event the Association shall thereupon and thereafter resume performance of all its duties, obligations and functions.

So long as such management agreement remains in effect, the Common Expenses per Regular Assessment shall be paid by Owners to Managing Agent. Managing Agent shall guarantee that until the earlier of (a) the termination of said management agreement, or (b) December 31, 1989, the monthly Regular Assessment shall not exceed \$150.00 (the Guaranteed Charge). After December 31, 1989 (assuming that said management agreement has not been terminated), and so long thereafter as said management agreement remains in effect, and Managing Agent continues to perform such functions, Managing Agent guarantees that the monthly Regular Assessment shall not exceed the amount of the Guaranteed Charge, (\$150.00), plus an amount representing an increase thereof to reflect any increase in the Consumer Price Index (all items – all cities) published by the United States Government over such index as existed in the month of December, 1989. The amount to be added to the Guaranteed Charge shall be in an amount equal to the same percentage of the Guaranteed Charge as the percentage increase in said Consumer Price Index. Such adjustments to the Guaranteed Charge shall be made annually on March 1 of each year so long as said management agreement remains in effect and Managing Agent continues to perform such functions. Said monthly charge shall during such guaranteed period entirely defray the Owner's obligation for his share of Common Expenses or shall be the Owner's entire Regular Assessment. Managing Agent shall be responsible for any deficit during such guaranteed period; provided, however, that this guarantee is not intended to include and does not include major physical alterations or other unusual expenditures not ordinarily anticipated in normal maintenance operations. Such expenditures would be covered through Special Assessments.

The Board of Directors shall adopt a plan to establish a reserve fund for maintenance, repairs or replacement of Common Areas that must be repaired and replaced on a periodic basis in an amount equal to One Thousand Dollars (\$1,000) per Unit. Such plan to establish a reserve in the amount of One Thousand Dollars (\$1,000) per Unit shall be accomplished over a period of time as determined by the Board of Directors, but shall be no later than January 1, 2006.

The portion of the Regular Assessment collected by the Declarant prior to the Applicable Date applicable to the replacement reserve shall be held by the Initial Board and, if required, applied to the replacement of the Property. To the extent that such replacement reserve is not so applied, the balance thereof shall be retained by the Association at the Applicable date.

Payment of the Regular Assessments with respect to each Condominium Unit shall commence on the date of conveyance by Declarant to such new Owner. The first payment shall be payable on the date of conveyance prorated to the first date of the calendar month next ensuing. Thereafter payment of the Regular Assessments shall be paid the first day of each calendar month during the period prior to the Applicable Date.

Section 5.4. Failure to Prepare Annual Budget. The failure or delay of the Board to prepare or serve the annual or adjusted estimate on the Unit Owner shall not constitute a waiver or release in any manner of such Unit Owner's obligation to pay the maintenance costs and necessary reserves, as herein

provided, whenever the same shall be determined, and in the absence of any annual estimate or adjusted estimate, the Unit Owner shall continue to pay the monthly maintenance charge and the then existing monthly rate established for the previous period.

Section 5.5. Books and Records. The Board shall keep full and correct books of account in chronological order of the receipts and expenditures affecting the Common Areas specifying and itemizing the maintenance and repair expenses of the Common Areas and any other expenses incurred. Such records and the vouchers authorizing the payments shall be available for inspection at the office of the Association, by any Unit Owner or any holder of a first mortgage lien on a Unit Ownership, at such reasonable time or times during normal business hours as may be requested by the Unit Owner. Upon ten (10) days' notice to the Board and payment of a reasonable fee, any Unit Owner shall be furnished a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such Unit Owner. Holders of fifty-one percent (51%) of first mortgages on the units shall be entitled to an audited financial statement prepared at their expense upon written request to the Board.

Section 5.6. Status of Collected Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments or user charges) shall be deemed to be held for the benefit, use and account of all the Unit Owners in the percentages of ownership which such Unit Owners bears to the total Units.

Section 5.7. User Charges. The Board, or Declarant acting pursuant to Section 11.01 of the Declarations, may establish, and each Unit Owner shall then pay, user charges to defray the expense of providing services, facilities or benefits which may not be used equally or proportionately by all of the Unit Owners or which, in the judgment of the Board, should not be charged to every Unit Owner. Such expenses may include, without limitation, charges for use of facilities located in the Common Areas and fees for such other services and facilities provided to Unit Owners which should not be reasonably allocated among all of the Unit Owners in the same manner as the Common Expenses. Such user charges may be billed separately to each Unit Owner benefited thereby, or may be added to such Unit Owner's share of the Common Expenses, as otherwise determined, and collected as a part thereof. Nothing herein shall require the establishment of user charges pursuant to this Section 5.7, and the Board or Declarant may elect to treat all of any portion thereof as Common Expenses.

Section 5.8. Non-Use and Abandonment. No Unit Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Areas or abandonment of his or their Units.
